

CONFERENCE  
ANNOUNCEMENT

2024  
**CONSTRUCTION  
SAFETY  
CONFERENCE**

July 24 – 25, 2024  
Lawrence, Kansas, USA

NCCS  
*The Craig and Diane Martin*  
NATIONAL CENTER FOR  
CONSTRUCTION SAFETY

The 3rd Construction Safety Conference (CSC 2024) will be hosted by the Craig and Diane Martin National Center for Construction Safety (NCCS) at the University of Kansas on July 24-25, 2024, in Lawrence, Kansas, USA.

The first day is a Cocktail & Welcome Dinner, and the second day blends practical construction safety subjects with research presentations. It will provide a platform for academics and practitioners to discuss current and emerging research issues, findings, and new developments in construction safety management.

The conference will feature theoretical discussions, case studies, data analysis, and industrial practices presented as double-blind peer-reviewed research papers. It also provides a great opportunity for interdisciplinary research and industrial networking at local and international levels.

*All accepted papers will be published in the EPPM Journal (indexed by SCOPUS and EI) following a full double-blind peer-review process. A **Best Paper Award** will be given to the best paper presented at the conference.*
